

# **DECLARATION OF THE OPEN EURASIAN ACTUARIAL CONGRESS**

November 16-17, 2023, Republic of Kazakhstan, Almaty

Participants of the Open Eurasian Actuarial Congress: Actuaries, persons representing the interests of actuaries and users of actuarial services (hereinafter referred to as Participants), realizing the importance of actuarial activities for the stability of financial markets and ensuring financial stability, and in order to improve the professional level and competence of actuaries, to ensure a high level of confidence in the results of actuarial activities, have adopted this Declaration.

## **Participants consider it important and useful:**

1. Organization of training events: participants will strive to contribute to the development and implementation of training programs, seminars and courses for those wishing to become actuaries.
2. Professional development: Participants will strive to support programs and initiatives aimed at improving the professional qualifications of actuaries.
3. Exchange of experience: Participants will strive to participate in the exchange of experience and information on actuarial issues, including best practices and current calculation methods.
4. To exchange information on the activities provided for in this Declaration.
5. Develop systems for the exchange of information on planned and carried out activities provided for in this Declaration.
